

Civil Engineering Society

Presents

Research Scholar day 2021

16th and 17th April

Round 1, 16th April

You can participate in the event in a team of two or individual.

Join the CERSD 2021 event using the google meet link.

Questions/clues will be projected on the screen at regular intervals (Tentative timings: 2pm, 3pm, 4pm, 5pm, 6pm).

Clues will be general/civil related. Need to decode the clues and find the answers.

Every team has to create a WhatsApp group with themselves and the coordinators (group name as participants name).

Post the answers as soon as possible in the WhatsApp group. Should post all the answers before 7 pm, 16th April (Marks will be awarded for each question based on the time of your response).

The team/individual giving maximum correct answers at the earliest will be selected for second round.

We will inform the winners of first round before the starting of next day event and delete the WhatsApp groups of disqualified teams.

Round 2, 17th April

In a 15/30 minute slot time, we will project the clues. The clues will have a continuity. All these clues will lead to a final answer. The winner will be the team/individual who submits the final correct answer before 7 p.m. on April 17th.

FOR REGISTRATION
